6. ORGANIZATIONAL CHART

□ **Nature and Extent of involvement of Faculty and students in academic affairs/ improvements**

- Experienced faculty members are retained to ensure effective teaching.
- Encourage the staff members to attend FDP, workshops and seminars to enrich their skills.
- Student participation in co-curricular activities and presentation of their papers in symposiums and conferences are encouraged.
- Through several preparations, including Group Discussions and Mock Interviews, students are enabled to present themselves in campus interviews.

□ **Mechanism/Norms and Procedure for democratic/good Governance**

- Progressive and dynamic management ensures full autonomy for conduct of all academic and other activities.
- College promotes the culture of participative management.
- The day-to-day activities are monitored by a team consisting of Principal, Vice-Principal (Academics), Dean-Academics, Dean-Research, Deputy Director and Director General.

- Heads of Departments are empowered to take decisions relating to academics and other student issues.
- To ensure efficiency and effectiveness, a number of administrative, academic, co-curricular, and general bodies have been constituted with their duties and responsibilities stipulated.
- There are Administrative Bodies-Governing Council, Planning and Monitoring Board and Functional Committees like Hostel Committee, Library Committee, Examination Cell, Disciplinary Committee, Anti-Ragging Committee, Industry Institute Interaction Cell, Entrepreneur Development Cell, Management Information Systems etc. The delegation of powers at all levels is clearly defined and strictly followed.
- Regular HODs meetings, functional committee meetings and department meetings are held to discuss and take decisions on important matters.
- Faculty are encouraged to improve their qualifications by enrolling for doctorate degree, participate in FDPs, FTTPs, SDPs, Conferences, Seminars and Workshops.
- Periodic monitoring is carried out by academic, general and ISO audits to check the implementation of all systems and procedures.
- A transparent Faculty Appraisal system is done to notify the faculty on their strong points and areas that need consolidation.

□ **Student Feedback on Institutional Governance/Faculty performance**

The effectiveness of faculty members in content delivery and assessment are evaluated by students through the online feedback system twice a semester. The parameter to which the feedback is provided is as follows:

- Organization of the subject matter in a logical sequence
- Faculty coming to the class on time and engaging regularly
- Preparation made by the faculty on the subject
- Faculty's knowledge on the latest developments in the subject area
- Faculty's ability to maintain discipline in the class
- Assistance and Counselling offered by the faculty to the needy students
- Faculty's appreciation and feedback on the students' performance
- Ability to take class audibly and clearly
- Usage of various methods and materials like OHP, Presentation to take class
- Ability to write and draw legibly
- Teacher's ability to explain the concepts well and provide adequate examples
- Ability of the faculty to give instructions to the students according to their understanding
- Fair and impartial valuation of the answer papers
- Regular conduction of assignments, tests and return the answer papers on time

- Various feedback such as course feedback, course exit feedback etc., are also collected and necessary corrective measures are incorporated for improvement. □ **Grievance Redressal mechanism for Faculty, staff and students**
- To create a platform where students can point out their problems, regarding academic and non-academic matters.
- Get suggestions from the students for improvement.
- Take necessary steps for improvement in the light of grievances.

14. SOFT SKILL DEVELOPMENT FACILITIES

Soft Skills

- Training on Personality Development, Leadership Skills, Business Communication Skills, Crisis Management, Interview skills and Aptitude training are offered to students of all branches.
- **Allocation of hours**
 - Every department is encouraged to extend its support to organize a value addition course for 45 hours
 - The 45 hours of training is spread across to two hours per week and they are reflected in the time table.
- **Conduct of Courses**
 - Practical sessions are arranged along with theory classes to give hands on training on technical skills.
 - More emphasis is given to practical sessions for the students to get expertise in troubleshooting the technical problems.
 - Activity based teaching is adopted for training soft skills which enable the student to communicate confidently in real life situations
- **Resource persons and Infrastructure facilities**
 - Sessions are handled by eminent resource persons from external organizations.
 - Internal teaching faculty are also encouraged to obtain certifications from certifying bodies to support the conduct of training sessions.
