The institution fervently arranges national festivals and commemorates the birth and death anniversaries of prominent Indian figures. Our students actively strive to bridge caste and religious divides, contributing to the betterment of India. Through exhibitions and events organized on these occasions, the ideals of eminent Indian personalities are instilled in the minds of the youth. The school advocates for a pluralistic approach to religious events and activities among its faculty and staff. Emphasis is placed on fostering national unity and encouraging staff and students to actively participate in it.

1. Republic Day

Republic Day, celebrated on the 26th of January, commemorates the adoption of the constitution. The day is marked by various formal ceremonies including flag hoisting and march-pasts. Following these events, the institute organizes a "Constitution Awareness Program" aimed at educating students and staff about their duties towards the nation and the rights bestowed upon them by the constitution. Through such initiatives, the institution plays a pivotal role in nurturing patriotism and consciousness among the upcoming generation.

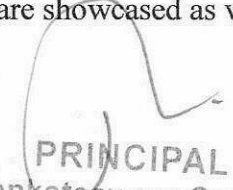

2. International Yoga Day

A speech is delivered to elucidate the significance of yoga, representing the harmony between mind and body, thought and action, as well as restraint and fulfillment. Subsequently, a yoga camp is conducted by the instructor.

3. Independence Day

Every year, all members of the Management actively partake in the festivities. Numerous teams comprising security personnel and NSS cadets from our institution participate in a meticulously rehearsed march-past, with the chief guest unfurling the flag during this grand occasion. Cultural representations of the independence movement are showcased as well.

4. Teacher's Day

The birthday of Dr. Radhakrishnan, celebrated on the 5th of September, is enthusiastically commemorated as Teacher's Day. The occasion pays homage to the Guru-Shishya tradition, with students organizing a special program for their teachers.

5. Engineer's Day

Each year on September 15th, our college acknowledges and pays tribute to the renowned engineer Moksha Gundam Visvesvaraya by celebrating National Engineers Day. The objective of this day is to acknowledge the outstanding contributions made by engineers, to motivate them to persevere in their pursuit of innovation and improvement, and to serve as a source of inspiration for engineering students.

6. National Technology Day

National Technology Day is celebrated annually in India on May 11th. This day commemorates the successful nuclear tests conducted at Pokhran in 1998, showcasing India's technological prowess. It serves as a reminder of the significant advancements made in science and technology and encourages further innovation in various fields.

Yoga Day

Sri Venkateswara College of Engineering and Technology recently organized a successful initiative titled the "Yoga and Meditation Awareness Campaign" to commemorate International Yoga Day. Emphasizing the significance of yoga poses, breathing exercises, and mindfulness practices, he encouraged students to embrace these techniques. Under the guidance of seasoned yoga instructors, students eagerly participated in various asanas, actively immersing themselves in the practice.

National Flag Day

National Flag Day celebrations in colleges typically involve activities focused on commemorating and comprehending the importance of the national flag. These festivities commonly feature flag hoisting ceremonies, renditions of patriotic songs, exhibitions showcasing flag-themed art and crafts, educational sessions delving into the history and symbolism of the flag, and dialogues about the values it embodies. Students often engage in various competitions, including flag-making contests, quizzes exploring the flag's history and significance, and essay or speech contests centered around patriotism and national identity.

Onam Celebration

Onam, predominantly celebrated in Kerala, marks the culmination of the monsoon season, enveloping the atmosphere in happiness and joy. In our college, Onam is a vibrant and colorful occasion that unites students and staff to honor their culture and traditions. Students enthusiastically participate in cultural competitions such as rangoli designing, showcasing their artistic talents.

National Unity Day

National Unity Day, or Rastriya Ekta Diwas, is observed annually on October 31st in India, marking the birth anniversary of Sardar Vallabhbhai Patel, a key figure in the nation's founding. Patel's pivotal role in India's struggle for independence and subsequent service as the first Deputy Prime Minister and Home Minister of independent India are honored on this day.

The primary objective of National Unity Day is to foster unity, integrity, and security among Indian citizens, while also paying tribute to Sardar Patel's contributions. This occasion underscores the importance of students setting aside differences to collaborate towards a stronger, more united nation. At our college, National Unity Day is celebrated fervently. Students engage in diverse cultural and social activities such as seminars, debates, speeches, and discussions, emphasizing the significance of unity amidst diversity. They pledge to remain united regardless of caste, religion, or community.

These celebrations cultivate patriotism and unity among students, crucial for the nation's progress. They inspire collective efforts towards common goals and promote harmony and brotherhood among people from varied backgrounds.

Tree Plantation

On November 11th, 2022, at 10.15 am, our college organized a tree plantation event within the campus. Four saplings were planted, participating a student volunteer from the first year CSE department. The primary objective of this initiative was to inspire students and staff to engage in tree plantation efforts and raise awareness about its importance. It marked a modest yet significant step towards environmental conservation through sapling cultivation. Furthermore, students were encouraged to extend this initiative by planting more saplings in their respective villages.

National Mathematics Day

Each year, the Department of Mathematics commemorates National Mathematics Day in tribute to the birth anniversary of the renowned mathematician Srinivasa Ramanujan. Ramanujan, born in 1887 and passing away in 1920, was an Indian mathematician of extraordinary talent, making significant contributions to pure mathematics. Recognizing his exceptional achievements, the Government of India designated 2012 as the "National Mathematical Year" in acknowledgment of his impact. Every December 22nd, Ramanujan's birthday, India observes "National Mathematics Day" to honor his legacy and motivate future generations in the realm of mathematics.

Good Governance Day

The celebration of Good Governance Day in colleges typically involves activities aimed at promoting the principles of good governance and fostering awareness among students about the importance of effective governance practices. These celebrations may include seminars, workshops, panel discussions, essay competitions, and other interactive sessions focused on topics such as transparency, accountability, rule of law, citizen engagement, and ethical leadership.

Pongal Celebration

Pongal stands as Tamil Nadu's most renowned festival, commemorating both the season and the start of harvest. It holds a significant place among India's harvest festivals, occurring in mid-January annually and heralding the onset of the auspicious Uttarayan, when the sun begins its northward journey.

Our college observed "Pongal – Thamilar Thirunal" on January 13, 2023, aiming to foster the principle of "harmony without uniformity" and cultivate mutual respect while collectively embracing social responsibilities.

Republic Day

The Constitution of India, ratified by the Constituent Assembly on November 26, 1949, officially took effect on January 26, 1950, marking India's transition to a sovereign republic governed by democracy. January 26 holds significance as Republic Day due to the Indian National Congress's proclamation of the Declaration of Indian Independence on this date in 1929. Commemorating this occasion, the Republic Day celebrations commenced with a patriotic song, followed by the raising of the national flag by our Chairman, Dr. S. K. Purushothaman. Students honored the flag and pledged their dedication to preserving the honor, integrity, diversity, and uniqueness of our nation, India.

World Earth Day

World Earth Day is an annual occasion observed on April 22nd, dedicated to raising awareness about environmental issues and advocating for the planet's protection. In our college, Earth Day festivities typically encompass a range of activities aimed at fostering environmental consciousness and inspiring proactive measures to safeguard our planet. This celebration serves as an excellent platform for students to grasp the vital role of trees within the ecosystem.

These Earth Day events offer an invaluable opportunity for students, faculty, and staff to unite in collective efforts toward environmental preservation. Through active engagement in these activities, students gain insights into the significance of environmental conservation and develop into environmentally conscious individuals.

National Technology Day

In May 2019, Prime Minister Narendra Modi launched a program in New Delhi to mark National Technology Day. This event not only commemorated the day but also kicked off the celebrations for the 25th anniversary of National Technology Day, spanning from May 11th to May 14th. The festivities for National Technology Day 2023 included a special day dedicated to engineering students. At our college, students actively participated in a range of activities as part of these celebrations.
