GOLDEN WORDS FROM CHAIRMAN SIR

Welcome to Sri Venkateswara College of Engineering and Technology.

It gives me great pleasure to welcome you to the official website of **Sri Venkateswara College of Engineering and Technology**. Education is the foundation of individual growth and national development. Choosing the right institution and academic program is one of the most important decisions in shaping a student's future.

Managed by the **Sri Venkateswara Educational and Cultural Trust**, our institution is dedicated to providing quality education that equips students with the knowledge, skills, and values needed to succeed in today's dynamic world. In an increasingly competitive and technology-driven environment, we strive to nurture competent professionals and responsible citizens.

Beyond academics, we encourage students to participate in seminars, workshops, industrial visits, innovation activities, technical events, debates, sports, cultural programs, and community engagement initiatives. These experiences help develop leadership qualities, creativity, teamwork, communication skills, ethical values, and a spirit of lifelong learning.

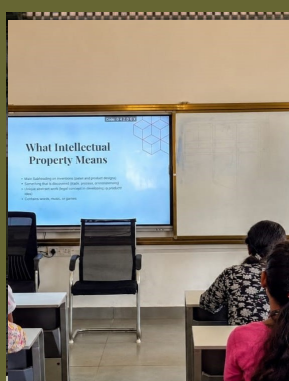

Our goal is to create an environment where students can discover their potential, build confidence, and prepare themselves to meet global challenges with integrity and excellence.

I invite students, parents, alumni, and visitors to explore our website regularly to stay informed about our academic programs, campus activities, achievements, and latest updates. We look forward to welcoming aspiring students to become a part of our vibrant learning community.

DEPARTMENT OF MANAGEMENT STUDIES

WORKSHOP

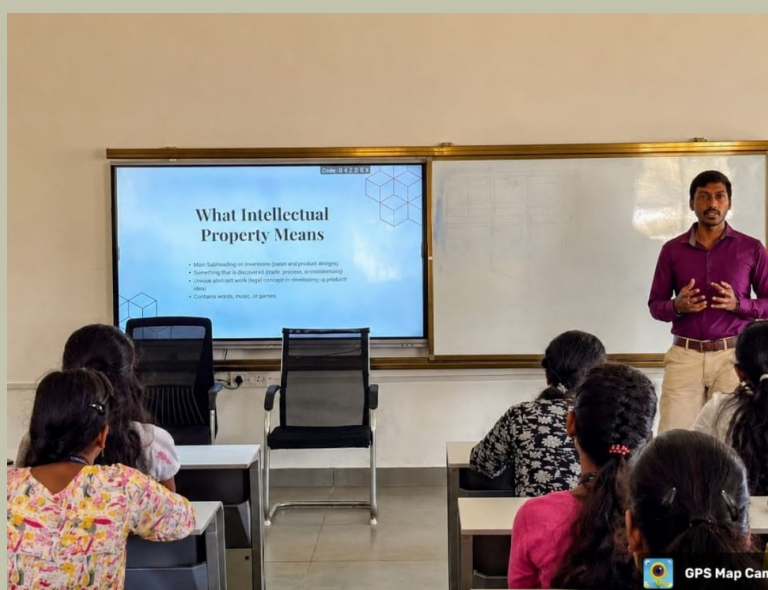

Session 1:

An awareness session on intellectual property rights (IPR) explained the importance of patents, copyrights, trademarks, and protecting innovative ideas.

The speaker highlighted the role of intellectual property in encouraging innovation and explained the process of protecting inventions and creative works.

Students attended an informative lecture on entrepreneurship, innovation, startup opportunities, and transforming ideas into successful ventures

TRAINING AND DEVELOPMENT PROGRAMME

It was a privilege to conduct an interactive career guidance and mindset development session with enthusiastic students at the **Training and Development 2026** held at **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY, Thirupachur, Thiruvallur.**

The session, "**Journey to Change Your Mindset,**" focused on building self-confidence, developing a growth mindset, enhancing communication skills, and preparing students for career opportunities in today's competitive job market. Through engaging discussions and activities, students actively participated and shared their perspectives, making the session both insightful and impactful.

Innovation & Entrepreneurship Outreach Program

Innovation & Entrepreneurship Outreach Program | Inspiring Future Innovators

It was an honor to conduct an **Innovation & Entrepreneurship Outreach Program** for the bright young minds of **GnanaVidyalaya School, Thiruvallur**.

The session focused on nurturing an entrepreneurial mindset by encouraging students to **think creatively, identify real-world problems, generate innovative ideas, and develop practical solutions**. Through interactive discussions, brainstorming activities, design thinking exercises, and collaborative teamwork, students enthusiastically explored the journey from **Problem → Idea → Solution**.

The energy, curiosity, and participation of the students made the workshop truly memorable. Watching them present their innovative ideas and confidently share their perspectives reinforced the belief that the next generation is ready to lead with creativity and purpose.

A heartfelt thank you to the school management, faculty, and students for the warm hospitality and active participation. Looking forward to empowering many more young innovators and changemakers.

Pongal day celebrations

Pongal day celebrations

PONGAL DAY CELEBRATION - 2026

Our college celebrated the harvest festival of Pongal with great joy and tradition on 8th January 2026 at the college campus. The celebration was organized by the Department of Management Studies and the Women's Empowerment Cell. The campus was decorated with colourful Pongal pots, sugarcane and beautiful Kolams made by students. The event started with the traditional Pongal preparation - "Pongal-o-Pongal". Students and staff in traditional attire participated in cultural events like Silambam, Uriyadi, and Folk Dance. The management conveyed Pongal wishes and emphasized the importance of our Tamil culture and farmers.

Vision

Lead the transformation of Engineering and Technology education into creating innovators and entrepreneurs to serve the betterment of the society.

Mission

- To provide requisite infrastructure and stimulating environment for most conducive learning.
- To develop the next generation leaders through excellence in teaching and learning, and inspiring scientific curiosity in them to meet the global challenges.
- To instill ethics, values, and life skills to meet the societal demands.
- To produce competent professionals with the practical skills necessary to excel as innovative professionals and entrepreneurs for the benefit of society.

To establish fruitful collaboration between institute and industry for research and development in new disciplines as well as to provide employment opportunities.
