**Report of the Event**

Name of the event: Workshop on “The Entrepreneur Mindset: The Way Forward”

Name & profile of the speaker: Mr.R.Vaidyanathan, Arrow Machine tools, Ambattur.

Date: 08-10-2018

Venue: A204/Main Block & 11am.

Number of participants: 57

Workshop on “The Entrepreneur Mindset: The Way Forward” was inaugurated on 08-10-2018 by the resource person. Principal Dr.J.Venkatesh, Sri Venkateswara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs.

Mr.R. Vaidyanathan, Arrow Machine tools, Ambattur, delivered details about The Entrepreneur Mindset: The Way Forward.

The major objective was economic reform, which has also served in the transformation of entrepreneurship in India. Before the policy, India’s entrepreneurship was based on the model of traditional industries and agro-industries.

However, after the implementation of the policy, major changes were seen in the technology. The rise of Infosys, TCS, Wipro, HCL, and more. Also, in automobiles, Maruti, Tata, Mahindra, Bajaj, and more were emerging. But there is a limitation to this policy as it favours a lot of big companies and does not give a chance to a small and new startup to take off.
