Report of the Event

Name of the event: Seminar on "Data Processing and Research Methodology"

Name & profile of the speaker: Dr.Edara Krishna Reddy Prof/Civil, SVCET.

Date: 18-09-2020.

Venue: A101/Main Block & 10am

Number of participants: 58

Seminar on "Data Processing and Research Methodology" was inaugurated on 18-09-2020 by the Dr. Edara Krishna Reddy Prof/Civil, SVCET. Principal Dr.J. Venkatesh, Sri Venkateswara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs. Dr. Edara Krishna Reddy Prof/Civil, SVCET delivered details about Data Processing and Research Methodology.

Data processing is concerned with editing, coding, classifying, tabulating and charting and diagramming research data. The essence of data processing in research is data reduction. Data reduction involves winnowing out the irrelevant from the relevant data and establishing order from chaos and giving shape to a mass of data. Data processing in research consists of five important steps.

Editing is the first step in data processing. Editing is the process of examining the data collected in questionnaires/schedules to detect errors and omissions and to see that they are corrected and the schedules are ready for tabulation. When the whole data collection is over a final and a thorough check up is made.

Requisition Letter

15-09-2020

To

The Principal
Sri Venkateswara College of Engineering & Technology
Thirupachur.

Respected sir,

Sub: **Requisition for Permission to organize the Seminar-Reg**

The R&D Cell intended to organize Seminar on “Data Processing and Research Methodology” for our students on 18-09-2020 at A101(Main Block). In this regard, kindly provide permission to conduct seminar for the above-mentioned reason.

Thank you, sir.

Yours truly

Co-ordinator

(Mr.P.G.Baskar)
