Seminar on "Roadmap from Innovation to Startup" was inaugurated on 05-02-2021 by the resource person. Principal Dr.J. Venkatesh, Sri Venkateswara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs.

Dr.R. Rajavel, Director, Hindustan Transsformers, SIE, Chennai-600124 delivered details about Roadmap from Innovation to Startup.

The evolution of human existence can be traced back to simple yet innovative endeavors such as invention of the wheel, to modern techniques such as rearranging of DNA.

Innovation has been steering human progress globally. It is not merely technological progress. In fact, the most prominent feature of an innovation-driven society is the dynamic attitude of its people.

Innovation has become intrinsic to economic development, but it took a long time for economists and policymakers to realize that.
