### Report of the Event

Name of the event: Seminar on "Recent Trends in Research Methodology".

Name & profile of the speaker: Dr.K.Muralibabu Prof-CSE, SVCET.

Date: 15-07-2021.

Venue: A205/Main Block & 10:30am.

Number of participants: 60

Workshop on "Recent Trends in Research Methodology" was inaugurated on 15-07-2021 by the resource person. Principal Dr.J.Venkatesh, Sri Venkateswara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs. Dr.K.Muralibabu Prof-CSE, SVCET delivered details about Recent Trends in Research Methodology.

Research methodology serves as the guiding compass for researchers, leading them on a journey of discovery and knowledge. The field of research methodology is constantly evolving, driven by advancements in technology, societal needs, and a quest for more robust and effective research practices. In this article, we explore the cutting-edge trends that are shaping research methodology today. From the integration of mixed methods to the utilization of artificial intelligence and the embrace of open science, we dive into the exciting frontiers that researchers are venturing into. Join us as we navigate the ever-changing landscape of research methodology and uncover the latest trends that are revolutionizing the way we conduct research.

**Mixed Methods Research:** Traditional research methods often focused solely on either quantitative or qualitative approaches. However, the trend of mixed methods research is gaining momentum.
