Seminar on “IPR in the Digital Age: Navigating the Challenges of Online Content Creation” was inaugurated on 14-07-2022 by the resource person. Principal Dr.S.Palani, Sri Venkataeshwara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs Dr.K.Sundramoorthy, Prof & Head-IT, delivered details about IPR in the Digital Age: Navigating the Challenges of Online Content Creation.

Intellectual property is a legal concept that refers to creations of the mind, such as inventions, literary and artistic works, designs, symbols, and names used in commerce. In the digital age, the rise of the internet and new technologies has revolutionized the way that intellectual property is created, distributed, and consumed. This has led to new challenges for intellectual property rights holders, as well as for governments and consumers.
