Seminar on "IPR and Competition Law" was inaugurated on 16-02-2023 by the resource person. Principal Dr.S.Palani, Sri Venkataeshwara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs. Dr.S.Mahalakshmi .Prof/MCA, SVCET delivered details about the IPR and Competition Law.

Intellectual property rights and competition law both seem to intervene at different junctures; however they work for attainment of one common goal that is consumer welfare. The reasons for this contravention in most cases is that the reward given to creators and innovators is the right to use and exclude others whereas when these rights are abused, competition law comes into the scene.
