The NSS unit of Sri Venkateswara College of Engineering and Technology, Tiruvallur, conducted an awareness programme on Road Safety for the people of Thirupachur.

Mr. Murali, Assistant Professor/ECE, Sri Venkateswara College of Engineering and Technology initiated his speech with life is full of wishes, love and ambition. Around 30 students and other staffs actively participated in this programme. Our students distributed the pamphlets for creating awareness over the peoples and shops in the Thirupachur village.

Though Pedestrian is the most important constituent of traffic, he belongs to high-risk group on road. In order to remain safe from perils of road, pedestrians should cultivate the habit of using road infrastructure in proper manner.

Look towards oncoming traffic.

- Never assume driver has seen you when you are about to cross the road, its your responsibility to save yourself.
- Avoid crossing road where drivers may not be able to see you.
- Wait for suitable gap in the traffic flow before crossing the road.
- Never jump over the divider railings. You may tumble on to the traffic.
