The NSS volunteers created awareness on planting trees among Pandur village on 11-08-2021. Mr. M Namachivayam, AP, EEE Department, NSS programme officer, Sri Venkateswara College of Engineering and Technology initiated his speech with life is full of wishes, love and ambition. Around 30 NSS volunteers and staff members are actively participated in this program.

There is a Chinese proverb that says, "The best time to plant a tree is twenty years ago. The second-best time is now." Trees are our only lifelines, and without them, our world will get turned into barren lands without life in it. People are neglecting this fact, and as a result, desertification is happening worldwide.

The NSS volunteers, staffs planted trees around the Kosavanpalayam village. Around 25 plants were planted in Pandur village.
