The NSS volunteers created awareness on Road safety among Kaivandur villagers on 10-08-2022. Mr.M.Namachivayam NSS Programme Officer, Sri Venkateswara College of Engineering and Technology initiated his speech with life is full of wishes, love and ambition.

There are many ways in which we can improve road safety. In order to keep yourself safe and out of harm's way, we must always walk on the pavements meant for pedestrians. Do not jump or run on roads, as you never know when a vehicle might appear. Similarly, always follow the traffic signals religiously.

Our NSS volunteers distributed the pamphlets for creating awareness of Road safety for the general public and shops in Kaivandur village.
