Respected Sir,

Sub: Request to deliver a seminar on **Renewable Energy Sources and Grid Integration** at your convenient date for our students— reg.,

We are happy to inform you that Department of Electrical and Electronics Engineering is planning to conduct a seminar on **Renewable Energy Sources and Grid Integration**. We have come to know about your expertise in the above mentioned areas. We are pleased to invite you to give a lecture for our students. We are confident that our faculty and students would be enriched with your presence of lecture. Kindly give your acceptance and convenient date as soon as possible.

Thanking You.

Yours Truly,

PRINCIPAL
Sri Venkateswara College of
Engineering and Technology,

INTRODUCTORY CREDENTIALS OF THE RESOURCE PERSON

Dr.R.DHILIPKUMAR,

Professor /EEE

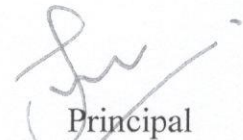

New Prince Shri Bhavani College of Engineering and Technology.

Dr.R.DHILIPKUMAR, Professor /EEE, New Prince Shri Bhavani College of Engineering and Technology is a well-known academician with experience ranging across the cross-section of academic and engineering. Having started his career as Lecturer, he reached the pinnacle as Professor of the department by widening his qualification through PhD in Engineering. His experience, among others includes contribution to the educational development of students in various roles as mentor, teacher, guide, counselor and researcher.

He has rendered his academic services such as Guest Lectures, workshops and seminars in many colleges. New Prince Shri Bhavani College of Engineering and Technology. He has the credit of grooming and nurturing hundreds of young engineers and guiding the students towards technical expertise.

The program was organized by Department of Electrical and Electronics Engineering. The seminar was inaugurated at 10.00 am at C Block Seminar Hall. **Mr.Namasivayam M.E.,(Ph.D)**, delivered the Welcome Address.

The Chief Guest of the function **Dr.R.DHILIPKUMAR Professor /EEE New Prince Shri Bhavani College of Engineering and Technology**, delivered a lecture on Optical satellite communication. He delivered about the advantages of Renewable Energy Sources and Grid Integration. This session had induced the students to be innovative and creative engineers. He shared some of real time examples Renewable Energy Sources and Grid Integration. Our students are encouraged to become successful engineers. The session was very interactive and students learnt many things and they were able to become innovative engineers.
