ALUMNI ASSOCIATION

5.4.1 The alumni association is a registered organization that supports the institution financially and/or other support services.

Alumni play an indispensable position in the Sri Venkateswara College of Engineering and Technology the Institute has maintained an effective relationship with the enterprise and alumni considering that its inception. The principal aim is to sign up all graduates as individuals of the affiliation and to facilitate alumni energetic participation in the institute activities, events, and projects.

The foremost goal of the SVCET alumni association to join alumni to institution synergy plans to guide the group and assist it comprehend its vision and allow the institute to add price for all its stake holders. The institute set up alumni mobile to hold a sturdy connection between the institute and its alumni. Regular alumni gathering and prevalent interplay with alumni via webinars, seminars & visitor lectures.

The alumni affiliation allows the formation of alumni networks and continues contact with the commercial enterprise world. The alumni meet will be hosted yearly by means of the alumni affiliation and supported by means of the management. Alumni from a range of branches will be invited to share their ideas and pointers on the scope of their course as nicely as to promote expert awareness.

This affords the alumni the hazard to meet different alumni and replicate on their previous experience and movement. The alumni association affords a discussion board for alumni to share their intellectual, carrier and expert experiences no longer solely with instructors however additionally with contemporary students.

It was felt that the association should try to connect with alumni well positioned in different areas living outside in India and abroad so that substantial funds could be mobilized for different developmental activities of the college. Some alumni members made financial contribution and donated books on different occasions to the needy students.
