About the Workshop
Quality of an educational system depends upon the quality of its teachers. Hence this workshop aimed at

- Enlightening the teachers on outcome based education
- Navigating the teachers through promising digital learning practices
- Updating the teachers with repertoire of pedagogies
- Facilitating technology deployment in teaching-learning process
- Analysing the challenges in Engineering education

Topics covered

- Outcome Based Learning
- Multifarious Innovative Teaching Pedagogies for enhancing Teaching-Learning Process
- LEARN UP: Smart Practices for enhancing Teaching-Learning Process
- Challenges and Need for Innovation in Teaching-Learning Process
- Digital Learning - Perspectives and Prospects
- Innovative Pedagogy - Array of experiences

About the Workshop

Quality of an educational system depends upon the quality of its teachers. Hence this workshop aimed at

- Enlightening the teachers on outcome based education
- Navigating the teachers through promising digital learning practices
- Updating the teachers with repertoire of pedagogies
- Facilitating technology deployment in teaching-learning process
- Analysing the challenges in Engineering education

Topics covered

- Outcome Based Learning
- Multifarious Innovative Teaching Pedagogies for enhancing Teaching-Learning Process
- LEARN UP: Smart Practices for enhancing Teaching-Learning Process
- Challenges and Need for Innovation in Teaching-Learning Process
- Digital Learning - Perspectives and Prospects
- Innovative Pedagogy - Array of experiences

About the Workshop
Quality of an educational system depends upon the quality of its teachers. Hence this workshop aimed at

- Enlightening the teachers on outcome based education
- Navigating the teachers through promising digital learning practices
- Updating the teachers with repertoire of pedagogies
- Facilitating technology deployment in teaching-learning process
- Analysing the challenges in Engineering education

Topics covered

- Outcome Based Learning
- Multifarious Innovative Teaching Pedagogies for enhancing Teaching-Learning Process
- LEARN UP: Smart Practices for enhancing Teaching-Learning Process
- Challenges and Need for Innovation in Teaching-Learning Process
- Digital Learning - Perspectives and Prospects
- Innovative Pedagogy - Array of experiences

About the Workshop
Quality of an educational system depends upon the quality of its teachers. Hence this workshop aimed at

- Enlightening the teachers on outcome based education
- Navigating the teachers through promising digital learning practices
- Updating the teachers with reports of pedagogies
- Facilitating technology deployment in teaching-learning process
- Analysing the challenges in Engineering education

Topics covered

- Outcome Based Learning
- Multifarious innovative Teaching Pedagogies for enhancing Teaching-Learning Process
- LEARN UP: Smart Practices for enhancing Teaching-Learning Process
- Challenges and Need for Innovation in Teaching-Learning Process

About the Workshop
Quality of an educational system depends upon the quality of its teachers. Hence this workshop aimed at

- Enlightening the teachers on outcome based education
- Navigating the teachers through promising digital learning practices
- Updating the teachers with repertoire of pedagogies
- Facilitating technology deployment in teaching-learning process
- Analysing the challenges in Engineering education

Topics covered

- Outcome Based Learning
- Multifarious Innovative Teaching Pedagogies for enhancing Teaching-Learning Process
- LEARN UP: Smart Practices for enhancing Teaching-Learning Process
- Challenges and Need for Innovation in Teaching-Learning Process
- Digital Learning - Perspectives and Prospects
- Innovative Pedagogy - Array of experiences
