ABOUT THE COLLEGE

Sri Venkateswara College of Engineering and Technology (SVCET) is an engineering college located in Thirupachur, Tiruvallur, a district adjacent to Chennai city (formerly Madras), in Southern India.

The college was established in 1999 with AICTE approval and started functioning in 2000.

Sri Venkateswara College of Educational and Cultural trust which runs this college is committed to provide quality education in building the future of today's youth. In the era of globalization, working environment has become highly competitive and challenging.

Sri Venkateswara College of Educational and Cultural trust which runs this college is committed to provide quality education in building the future of today's youth. In the era of globalization, working environment has become highly competitive and challenging.

A Fine Arts Club at the college aims at developing the student's talents in music , drama, drawing, writing and elocution

Eligible students can avail scholarship facilities offered by both the Government of India and the Government of Tamil Nadu. Beside these ,the college management may also offer financial supporting deserving cases

ABOUT DEPARTMENT

The Science and Humanities Department is one of the most successful and multi - faceted Departments. The Department imparts in-depth knowledge on a wide range of subjects namely Mathematics, Physics, Chemistry, Engineering Mechanics, C Programming, Basic Electrical & Electronics Engineering and English. Essential communication skills are developed and polished in this Department. The Department develops in each student, a mastery of the fundamentals, the capacity to think analytically, motivation for learning, an intellectual discipline and self-reliance that are the cornerstones for continuing professional achievement.

ABOUT FDP PROGRAM

Teachers need to be trained, selecting appropriate teaching learning methods and proper evaluation methodologies applicable in assessments of students during examinations at departmental level as well as at the university levels. In education system, various roles have been ascribed to the engineering staffs of today and to function at the optimum, faculty development programmes play a very crucial role. Regular workshops should be conducted for teachers to update them regarding technology advances and its proper implementation.

TARGET AUDIENCE

Faculty members of Mechanical Engineering department of Anna university affiliated colleges.

RESOURCE PERSONS

Resource persons from reputed Academic institutions and industries will deliver the sessions and handles the practical sessions
