He delivered about the advantages of Optical satellite communication. This session had induced the students to be innovative and creative engineers. He shared some of real time examples Optical satellite communication. Our students are encouraged to become successful engineers. The session was very interactive and students learnt many things and they were able to become innovative engineers.

### REPORT

Name of the Programme : ONE Day workshop on " Calibration Procedure of Measuring Instruments "

Department : Electronics and Communication ENGINEERING

Date : 15.03.2023

No of participants : 78

Venue : Block III Seminar hall

Details of the resource person: Mr.Pandiyan Vivek

Proprietor, Ignite Testing & Calibration Services

This workshop was very conceptual about the Electronics Engineering

- ❖ Workshop gave an idea about the importance of different Measuring Instruments and Calibration Procedures
- ❖ The speaker technically elaborated the methodology and their utilities in workplace.
- ❖ The students learnt about the Calibration Procedures & How to Handel the Measuring Instruments
- ❖ The students were given idea about job opportunities and the courses available related to Calibration.

HINDUSTHAN TRANSFORMERS

- ❖ This workshop was very conceptual about the Transformer Design and Construction
- ❖ Workshop gave an idea about the importance of **Transformer Design and Construction** and improved load performance
- ❖ The speaker technically elaborated the methodology and their utilities in workplace.
- ❖ The students learnt about the enhancing real and reactive power transfer without losses,
- ❖ The students were given idea about job opportunities and the courses available related to Power Products

### REPORT OF THE EVENT

Name of the event: Seminar on "Intellectual Property in Trade and Development".

Name & profile of the speaker: Mr.N.Venkataramana, Managing Partner, Amulya Leather Impex, Maduravoyal-600095.

Date: 15-09-2022

Venue: N205/N-Block & 11am

Number of participants: 57

Seminar on "Intellectual Property in Trade and Development" was inaugurated on 15-09-2022 by the resource person. Principal Dr.S.Palani, Sri Venkataeshwara College of Engineering and Technology, during his felicitation address he motivated the students to attend all the programs. Mr.N.Venkataramana, Managing Partner, Amulya Leather Impex delivered details about Intellectual Property in Trade and Development.

The protection and enforcement of intellectual property rights (IPR) have become an important component of current trade policy. For instance, the U.S.-China trade war that began in 2018 was influenced by American accusations of misappropriation of technology by China. And negotiations, of the U.S.-Mexico-Canada Agreement, which replaced NAFTA in 2020, introduced a high-standard intellectual property chapter requiring strong and effective protection and enforcement of IPR.

Mr.R.Ramesh, Plant incharge, New Gen Enterprises, Chennai-600124 delivered details about Overview of Market Research in Current Scenario.

In a nation where the market dynamics are as diverse as its rich cultural tapestry, market research in India stands out as a crucial tool for businesses. It also acts as the compass guiding businesses through the dynamic economic terrains of the country. The Indian market is characterized by rapid changes in consumer preferences, influenced by factors such as technological advancements, globalization, and socio-economic developments. Staying attuned to these shifts is paramount for businesses to remain relevant and competitive in this bustling market space.
