Engineering & Technology

Institution would be of considerable mutual benefit. The budding engineers and faculty from a technical institution could play a key role in technological up gradation, innovation, and competitiveness of an industry.

**ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109, shall impart valuable inputs to the Department in teaching/ training methodologies and suitably customize the curriculum so that the students fit in to the industrial scenario meaningfully.

Another dimension to the **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109, and the Department of Mechanical Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY** co-operation will relate effective utilization of the intellectual capabilities of the faculty of the Department providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the industry and to bring about innovative ideas into real design product.

**Benefits:**

1. Both the Department of Mechanical Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY** and believe that close co-operation between the two would be of major benefits to the student community to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.
2. **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109 and the Department interaction will give an insight into the last developments/ requirements of the industries. Hence the students can be equipped to meet tomorrow's challenges present in the real world.
3. **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109, and the Department tie up will build confidence and prepare the students to have a smooth transition from academia to industry.
4. The students will be permitted to industrial visit to learn the working instruments and working procedure of **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109.
5. To have meetings with faculty of the Department and staff of **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109, to discuss on various topics, to have interdisciplinary design and establishment of working modules and the curriculum requirements relating to the industries.
6. To support setting up of an advance learning centre, this can be utilized for providing training and projects for students in the college campus itself.
7. To hold training sessions for the Lab assistants and maintenance capability of them can be enhanced.

8. To guide the students to make the projects by utilization of the training in both premises.
9. To provide specific training requirements for students in the latest technological fields and related software developments.
10. To provide forums like workshop and short-term training courses.

**THE MEMORANDUM:**

This Memorandum of Understanding entered as of the **13-04-2018**, between the Department of Mechanical Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY** approved by AICTE and Anna University Affiliation & **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109.

1. Recognizing the need to cultivate an industry and institution interaction, value addition and perpetual need to keep abreast within latest development in the fields of fields of Rotary Chamfering, Tapping SPM with complete automation for Job loading/unloading through Bowl feeder. Auto Capston Lathe HustCNCsystemwithServomotors.4 way drilling SPM for Primary Piston with indexing fixture unit for multiple drilling. New concepts for Job loading/Unloading Automation Kit for CNC Machines. Services the parties have agreed to enter MoU. The purpose of this MoU is to memorialize recent conversations and basic understanding to the parties.
2. **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109. shall keep on updating the students of the Department on the latest happening on the fields of Industrial Training, Automation Services the parties have agreed to enter MoU which include
  - Internship for students
  - Prospective Hardware and Software developments in the above fields
  - Case studies in the above-mentioned key areas
  - Training to Lab Assistants / Lab Programmers
  - Conduct of Workshop and Seminar on existing and blooming Technologies
3. **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109.,shall keep the Department to arrange for industry visits to the manufacturing units.
4. The Department shall allow **ARROW MACHINE TOOLS**, Balaji Nagar, Thirumullaivoyal, Chennai, Tamil Nadu 600109.,to conduct collaborative activities in the premises confined to the Department.
5. This MoU is valid for next Seven years from **13-04-2018** and can be renewed by mutual consent.

## MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum Of Understanding (MOU) is entered into on 20.06.2018, between:

**Sri Raghavendra Homes**  
Old No-10, New No-21., II Floor, Brindavan,  
Ragavan Colony, Andavar Nagar,  
Kodambakkam  
Chennai - 600024

And

DEPARTMENT OF CIVIL ENGINEERING,  
**SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY,**  
THIRUPACHUR, THIRUVALLUR

Collectively, **Sri Raghavendra Homes** and SVCET shall be referred to as the "Parties."

WHEREAS, **Sri Raghavendra Homes** is focused on supporting large-scale projects, both private and government-funded. With a strong central hub, we manage construction projects across the region and continuously strive to define new frontiers in civil and infrastructure engineering.

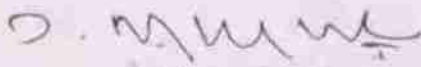

WHEREAS, SVCET is an educational institution offering courses in Civil Engineering;

WHEREAS, both parties desire to collaborate on facilitating technical seminars and workshops by industrial experts.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

- The scope of the MOU is to narrow down the gap between industry expectations (practice) and academic offerings (theory) by conducting technical seminars/ workshops, and in-plant training.
- The duration of the seminars/workshops and in-plant training shall be finalized after mutual discussions.
- **Sri Raghavendra Homes** intended to encourage the following activities between the institute and industry such as
  - To arrange the student's visits, Internship programs, hands-on training, and in-plant training in the construction site.
  - To carry out student's design project work at , **Sri Raghavendra Homes**.
  - To provide technical seminars/ workshops by industrial experts of , **Sri Raghavendra Homes**
  - To arrange Guest lectures from the expertise of the domain

The First Party represented herein by its **Dr. J.VENKATESH Ph.D** Principal, **Sri Venkateswara College Of Engineering & Technology**, and **Delux Rubber Industries**, Sipcot Industrial Park, Vallam Vadagal, Sriperumbudur, Tamil Nadu 602105. The second party, and represented herein by its **Managing patner Mr.S.ANAND**

WHEREAS:

A) First Party is a Higher Educational Institution named: **Sri Venkateswara College Of Engineering & Technology**.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Delux Rubber Industries** - the Second Party is specialized in Manufacturing of Mould parts

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

**CLAUSE 1**

**CO-OPERATION**

- Both Parties are united by common interests and objectives, and they shall establish co-operation.
- First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

**CLAUSE 2**

**SCOPE OF THE MoU**

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

Engineering & Technology,  
Thirupachur, Thiruvallur - 631 203**

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **Sri Venkateswara College Of Engineering & Technology**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

### CLAUSE 3

### VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during the period

### CLAUSE 4

### RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

## Preamble

This **Memorandum of understanding** hereinafter referred to as MoU made and executed into this day, the **30 August 2019** BETWEEN

**Plant Green Inertia** hereinafter called as PGI registered at No: 11 Thilagar street, Thiruvallur 602001, Tamil Nadu, India.

And

**Sri Venkateswara College of Engineering and Technology** for hereinafter called institution registered at Thirupachur-631203, Tiruvallur TK & DT

Whereas **Sri Venkateswara College of Engineering and Technology** is a well-established college at Thirupachur, Thiruvallur, the institution is equipped with necessary infrastructure to carry out training, consulting and other related services.

**Plant Green Inertia**, a training firm which mainly focuses on empowering youth and entrepreneurs. We have been into training since 2017 and we specialize in Digital Marketing, Entrepreneurship, Public Speaking and E-commerce.

**NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS:**

We PGI are entering into an agreement with **Sri Venkateswara College of Engineering and Technology** for providing the service as mentioned in the Scope of Work. The agreement shall be valid from **30 August 2019 to 30 August 2025.**

Hereinafter **Sri Venkateswara College of Engineering and Technology** and PGI collectively referred to as parties and individually as party.

## SCOPE OF WORK

PGI will be delivering the Integrated Digital Entrepreneurship hands-on training to students of **Sri Venkateswara College of Engineering and Technology**. The list of topics to be covered are as follows:

1. Entrepreneurship
2. Placement Training
3. Public Speaking
4. E-commerce
5. Start-up Boot camp
6. Content Creation
7. Advanced Digital Marketing

## SHARING OF FACULTIES

- College and PGI shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- College and PGI shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

**Preamble:**

The Department of Computer Science and Engineering (Dept. of CSE) of **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY**, run by **Sri Venkateswara Educational And Cultural Trust**, situated at Thirupachur, Thiruvallur, District-631203 and **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037, believed that close co-operation between an industry and a technical institution would be of considerable mutual benefit. The budding engineers and faculty from a technical institution could play a key role in technological up gradation, innovation, and competitiveness of an industry.

**ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai-600037, shall impart valuable inputs to the Department in teaching/ training methodologies and suitably customize the curriculum so that the students fit in to the industrial scenario meaningfully.

Another dimension to the **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037 and the Department of Computer Science and Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** co-operation will relate effective utilization of the intellectual capabilities of the faculty of the Department providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the industry and to bring about innovative ideas into real design product.

**Benefits:**

1. Both the Department of Computer Science and Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** and believe that close co-operation between the two would be of major benefits to the student community to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.
2. **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037 and the Department interaction will give an insight into the last developments/ requirements of the software industries. Hence the students can be equipped to meet tomorrow's challenges present in the real world.
3. **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037 and and the Department tie up will build confidence and prepare the students to have a smooth transition from academia to industry. The students will be permitted to industrial visit to learn the latest development and testing software of **3. ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037.

4. To have meetings with faculty of the Department and staff of **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037 and to discuss on various topics, to have interdisciplinary design and establishment of working modules and the curriculum requirements relating to the industries.
5. To support setting up of an advance learning centre, this can be utilized for providing training and projects for students in the college campus itself.
6. To hold training sessions for the Lab assistants such that in house servicing and maintenance capability of them can be enhanced.
7. To guide the students to make the projects by utilization of the training in both premises.
8. To provide specific training requirements for students in the latest technological fields and related software developments.
9. To provide forums like workshop and short-term training courses.

#### **THE MEMORANDUM:**

This Memorandum of Understanding entered as of the **23-09-2019**, between the Department of Computer Science and Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** approved by AICTE and Anna University Affiliation & **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai- 600037

1. Recognizing the need to cultivate an industry and institution interaction, value addition and perpetual need to keep abreast within latest development in the field's software development like frontend and backend development. Services the parties have agreed to enter MOU. The purpose of this MOU is to memorialize recent conversations and basic understanding to the parties.
2. **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai-600037, shall keep on updating the students of the Department on the latest happening on the fields of Industrial Training, software development and software testing the parties have agreed to enter MOU which include
  - Internship for students
  - Prospective Software developments in the above fields
  - Case studies in the above-mentioned key areas
  - Training to Lab Assistants / Lab Programmers
  - Conduct of Workshop and Seminar on existing and blooming Technologies
3. **ORISENC TECHNOLOGIES PRIVATE LIMITED**, Balu Nagar Mogappair East, Chennai-600037, shall keep the Department to arrange for industry visits to the manufacturing units.

CHENNAI - 600 073

NPSBCET: New Prince Shri Bhavani College of Engineering & Technology is sponsored by Tmt. Abaranjee Ammal Educational Society (Regd.). The college aims to ensure an all-sided development of the student and to offer many co-curricular and extra-curricular activities towards this end. The NPSBCET is an engineering college with an established reputation for high-quality teaching and research and it has a lot to offer for aspiring students. An attractive and compact campus, excellent student accommodation, prime area in Chennai, make NPSBCET an ideal and conducive environment for learning.

## 1. SCOPE OF MOU

SVCET and NPSBCET mutually agree to enter a formal understanding of cooperation with an envisaged intention to further the academic objectives of each institution and to promote the research environment and culture amongst the faculty members and students of both institutions.

## 2. OBJECTIVES OF MOU

Under this Memorandum of Understanding, the two institutions will proceed to implement the following endeavors and exchanges of ideas and personnel. The MoU aims to develop collaborative activities in academic areas of mutual interest. Cooperation will be carried out subject to the availability of funds and the approval of the competent authority of both institutions, through such activities or programmes. The objectives are:

- Conduct a thorough self-assessment of the institution's programs and operations against accreditation standards.
- To ensure that all required documentation and reports are prepared as per the accreditation process.
- To develop action plans to address the needs of the faculty members and students.
- Join collaborations in research and development.
- Faculty exchange for quality improvement.
- Jointly organized workshops, seminars, and conferences.
- Organize consultancy activities regularly and come up with joint publications of conference volumes and books.
- Engagement in the exchange and sharing of scholars and resources for the benefit of the greater academic community.
- To design effective research internship programmes for students to offer field-based and first-hand research experiences in relevant areas of interest.

COWRIVAKKAM, CHENNAI - 600 073.

- Arrange special lectures jointly by scholars of national and international repute on an annual basis.
- To make every effort to support and promote long-term teaching-research linkages between the two institutions.

### 3. JOINT ROLES AND RESPONSIBILITIES OF SVCET AND NPSBCET

- The parties would provide support as mutually agreed upon in project agreements.
- The parties would undertake and execute the mutually agreed tasks within a stipulated time frame as detailed in project agreements.
- The parties would execute joint research collaboration activities for publishing research articles/patents
- The parties will organize technical Events/Seminars/National Conference/International Conference/ Symposia on regular basis.
- The parties will develop industrial-oriented courses/programs at the UG/PG level.
- The parties may also enter into a separate arrangement/agreement on a case-to-case basis, on such terms and conditions as may be mutually agreed by the parties.

### 4. DELIVERABLES

The deliverables would be as detailed in the scope of each task, mutually agreed between the parties, from time to time. Requisitions for a specific task could be given by any of the parties on mutually agreed terms of references that would be specific to identified projects.

### 5. FINANCIAL ARRANGEMENT

This will be undertaken by separate financial terms conditions on a project-to- project basis on mutually agreed terms by the parties. Each Party shall bear its expenses in discharge of its responsibilities mentioned in this MOU.

### 6. TERMS AND CONDITIONS

- Activities like conferences, FDP, workshops, and seminars shall be conducted at SVCET and NPSBCET according to the academic schedule.
- Collaborative research activity shall be executed based on the facilities and needs.
- Seek mutual advice and support in planning and executing programs promoting excellence in the area of accreditation work.

- The terms of such cooperation and the necessary budget for each specific programme and activity that is implemented under the terms of this MOU shall be mutually discussed and agreed upon in writing by both parties before the initiation of the particular programme or activity and the terms of such programme shall be negotiated whenever required.
- Both parties understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.

## 7. CONFIDENTIALITY AND NON-DISCLOSURE

Except as otherwise contemplated by this MoU, each Party (the "receiving party") undertakes that, to protect the proprietary interest of the other Party (the "disclosing party") in the disclosing Party's confidential information, it will not, during the term of this MoU nor at any time thereafter, either use or exploit in any manner, or directly or indirectly divulge or disclose to others any of the disclosing party's confidential information.

Each party shall keep this agreement and all information and correspondence provided to the other party in strict confidence and shall not disclose the same to any third party, except if required to be disclosed under applicable laws.

## 8. INTELLECTUAL PROPERTY RIGHTS

The Project Agreements shall specify the rights and obligations of the Parties with respect to any Intellectual Property developed by Parties in connection with any specific projects. In the absence of such provisions, any Intellectual Property jointly developed by the Parties shall be owned equally by the Parties as tenants in common.

## 9. FORCE MAJEURE

Notwithstanding any item contained in the MOU, neither SVCET and NPSBCET shall be held responsible for actions beyond their control (e.g. natural Calamity, law & order situation and so on), and no compensation shall be claimed by either party from the other nor shall be paid.

## 10. DURATION OF MOU

This MOU shall remain effective from the date of execution until the end of the five-year term (2019-2024). However, the same may also be amended, terminated, or extended by agreement. Any additions or deletions to this MoU can be carried out on mutually agreed terms and appended to this MoU to form an integral part of this MoU.

Engineering and Technology,  
Thirupachur, Thiruvallur - 631 203

PRINCIPAL

Sri Venkateswara College of  
Engineering and Technology.  
Thirupachur, Thiruvallur - 631 203

**Preamble:**

The Department of Mechanical Engineering (Dept. of Mech) of **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY**, run by Sri Venkateswara Educational And Cultural Trust, situated at Thirupachur Thiruvallur, District-631203 and **GOODWIN MOTORS**, 137, Perinjambakkam Village Off Tambaram Oragadam Highway Chennai-601301, believed that close co-operation between an industry and a technical institution would be of considerable mutual benefit. The budding engineers and faculty from a technical institution could play a key role in technological up gradation, innovation, and competitiveness of an industry.

This MEMORANDUM OF UNDERSTANDING (MoU) is made and entered into force on this

137, Perinjambakkam Village Off Tambaram Oragadam Highway Chennai-601301, Shall impart valuable inputs to the Department in teaching/ training methodologies and suitably customize the curriculum so that the students fit in to the industrial scenario meaningfully.

Another dimension to the **GOODWIN MOTORS**, 137, Perinjambakkam Village Off Tambaram Oragadam Highway Chennai-601301,, and the Department of Mechanical Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY** co-operation will relate effective utilization of the intellectual capabilities of the faculty of the Department providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the industry and to bring about innovative ideas into real design product.

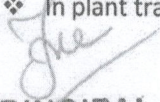

**WHEREAS:**

**GOODWIN MOTORS** will be prominent Technology Partner for the institute and

will facilitate end to end technology to the **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY**.

Conduct of joint programs such as

- ❖ Placement Drive will be conducted in **SVCET** premises as per the company requirements .
- ❖ Faculty development programs (FDP) can be focused on Manual and Automation Testing Tools.
- ❖ In plant training for the students can be effectively provided in our office in all the

- domains and we shall issue a certificate and report at the end of the session .
- ❖ Internship programs for UG students are carried out by putting them directly in the client projects and get them exposed to the corporate environments .
  - ❖ We can able to deliver our industrial expertise with the graduating final year students of your esteemed institution and guide them to develop real time applications, we can come to your premises and train the interested students.

❖ Conduct of Technical workshop, Seminar, Guest Lecture and Value Added Courses for the students will be conducted.

- ❖ Our company can bring in effective hands on training and real time development experience by providing a value added course to the students and give course completion certification from our end.

Agenda and schedule for the above said activities will be discussed and communicated

between the **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** and **GOODWIN MOTORS** in advance.

Memorandum of understanding ("MOU") between **GOODWIN MOTORS** and **SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY**, takes effect from 22<sup>nd</sup> December

2020 onwards for the period of Five years unless terminated earlier or extended by

mutual agreement of parties at least 30 days prior to expiry.

**GOODWIN MOTORS** and **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** acknowledge that this MOU is only brief statement of the intentions of the

parties herein with regard to the areas in which the services are south and the parties

agree that the terms and conditions in respect of the precise scope and extend of work to

be carried out and manner of execution of such work under each area shall be incorporated

by the way of separate correspondent with regard to the above said areas

## MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum Of Understanding (MOU) is entered into on 11.12.2020 between:

### JAI SAFETY SERVICE

No.2/12, Avvayar Street, Gurushetram Colony,  
Rajakilpakkam, Chennai – 600073

And

DEPARTMENT OF CIVIL ENGINEERING,  
SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY,  
THIRUPACHUR, THIRUVALLUR -631203

Collectively, JAI SAFETY SERVICE and SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY shall be referred to as the "Parties."

WHEREAS, JAI SAFETY SERVICE is focused on supporting large-scale projects, both private and government-funded. With a strong central hub, we manage construction projects across the region and continuously strive to define new frontiers in civil and infrastructure engineering.

WHEREAS, SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY is an educational institution offering courses in Civil Engineering

WHEREAS, both parties desire to collaborate on facilitating technical seminars and workshops by industrial experts.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

- The scope of the MOU is to narrow down the gap between industry expectations (practice) and academic offerings (theory) by conducting technical seminars, workshops, and in-plant training.
- The duration of the seminars, workshops and in-plant training shall be finalized after mutual discussions.

- Guest Lectures: **JAI SAFETY SERVICE** to extend the necessary support to deliver guest lecturers to the students of the **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** on the technology trends and in house requirements.
- Placement of trained students: **JAI SAFETY SERVICE** will actively engage to help the delivery of the training and placement of the students of the **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** on the technology trends and in house requirements.
- **JAI SAFETY SERVICE** intended to encourage the following activities between the institute and industry such as:
  - To arrange the student's visits, Internship programs, hands-on training, and in-plant training in the construction site.
  - To carry out student's design project work at **JAI SAFETY SERVICE**.
  - To provide technical seminars/ workshops by industrial experts of **JAI SAFETY SERVICE**.
  - To arrange Guest lectures from the expertise of the domain.
- **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** intended to provide the following activities:
  - To facilitate the faculty involvement in conducting technical seminars / Workshops and Guest Lectures.
  - To provide workspace, furniture, internet connections, and lab facilities at **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** for conducting hands-on training in college.

➤ **DURATION AND EVALUATION:**

This MOU shall be in effect for a period of six years from the last date of signature. The agreement shall be valid from 11 -12- 2020 to 10 -12-2026. Either party may request termination of this agreement, in writing, ninety(90) days prior to the proposed termination date. Any activities in progress at the time of termination shall be permitted to conclude as planned unless otherwise agreed in writing.

## Preamble

This Memorandum of understanding hereinafter referred to as MoU made and executed into this day, the 28 August 2020 BETWEEN

Precision Techserve Pvt Ltd No.22, 1st Floor, Habibullah Road, T.Nagar, Chennai 600 017

And

Sri Venkateswara College of Engineering and Technology for herein after called institution registered at Thirupachur-631203, Tiruvallur TK & DT

Whereas Sri Venkateswara College of Engineering and Technology is a well-established college at Thirupachur, Thiruvallur, the institution is equipped with necessary infrastructure to carry out training, consulting and other related services.

Precision Techserve Pvt Ltd, Precision provides Biometric, IoT, Cloud & Systems Integration solutions and IT Infrastructure Management Services. Precision adopts a consulting approach to address the needs of clients and has a very strong R&D and IP creation focus.

NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS:

We Precision Techserve Pvt Ltd are entering into an agreement with Sri Venkateswara College of Engineering and Technology for providing the service as mentioned in the Scope of Work. The agreement shall be valid from 28 August 2020 to 27 August 2025.

Hereinafter Sri Venkateswara College of Engineering and Technology and Precision Techserve Pvt Ltd collectively referred to as parties and individually as party.

## SCOPE OF WORK

Precision Techserve Pvt Ltd will be delivering the Integrated Digital Entrepreneurship hands-on training to students of Sri Venkateswara College of Engineering and Technology. The list of topics to be covered are as follows:

1. Placement Training
2. Biometric
3. Cloud & Systems Integration solutions
4. IT Infrastructure Management Content Creation

## SHARING OF FACULTIES

- College and Precision Techserve Pvt Ltd shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- College and Precision Techserve Pvt shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

#### RESPONSIBILITIES OF COLLEGE

- Provide access to Precision Techserve Pvt Ltd to College Professors, Students and Laboratories while Implementing various initiatives.
- Provide access to test facilities whenever required.
- Responsible for day-to-day maintenance and upkeep of all assets of the company installed at College.
- Support from its skilled staff members in supporting Projects of Precision Techserve Pvt Ltd at College.
- Mutually agreeable detailed plan will be worked by the program coordinators to plan and commence the activities.

#### RESPONSIBILITIES OF INDUSTRY

- Precision Techserve Pvt Ltd may make use of the facilities at College to execute various initiatives jointly with College.
- Depute appropriate Precision Techserve Pvt Ltd personnel to Guest lectures, Students interaction, Skills training, FDP, Placements etc.

#### JOINT RESPONSIBILITIES

- Precision Techserve Pvt Ltd and College would each appoint a program Coordinator, who will champion the implementation of this MOU within their organizations.
- The Program Coordinators would meet at least once a quarter or as and when needed to review the functioning of MoU and plan the actions towards improvement, if required. The minutes of meetings would be prepared and circulated to the respective management for their approval.

#### DURATION AND EVALUATION

This MOU shall be in effect for a period of Five years from the last date of signature. The agreement shall be valid from **28 August 2020 to 27 August 2025**. Either party may request termination of this agreement, in writing, ninety(90) days prior to the proposed termination date. Any activities in progress at the time of termination shall be permitted to conclude as planned unless otherwise agreed in writing.

If the MOU is not canceled by any party, it will be automatically renewed for another Five Years. In case of any concerns or amendments, a joint evaluation of the MOU will be initiated by the designated representatives six (6) months prior to the expiration date. Following the evaluation, the MOU may be renewed and resigned for an additional five (5) year period (non-binding in nature). Amendments to this MOU may be requested, in writing, by either party and approved by the authorized signatories.

WHEREAS, both parties desire to collaborate on facilitating technical seminars and workshops by industrial experts.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

- The scope of the MOU is to narrow down the gap between industry expectations (practice) and academic offerings (theory) by conducting technical seminars/ workshops, and in-plant training.
- The duration of the seminars/workshops and in-plant training shall be finalized after mutual discussions.
- **SRI KALKI TRADING** 65/111, Angalamman Koil Street, Choolai, Chennai – 600112 intended to encourage the following activities between the institute and industry such as
  - To arrange the student's visits, Internship programs, hands-on training, and in-plant training in the industry site.
  - To carry out student's project work at **SRI KALKI TRADING** 65/111, Angalamman Koil Street, Choolai, Chennai – 600112
  - To provide seminars/ workshops by industrial experts of **SRI KALKI TRADING** 65/111, Angalamman Koil Street, Choolai, Chennai – 600112
  - To arrange Guest lectures from the expertise of the domain
- **SVCET** intended to provide the following activities
  - To facilitate the faculty involvement in conducting technical seminars / Workshops and Guest Lectures
  - To provide workspace, furniture, internet connections, and lab facilities at SVCET for conducting hands-on training in college.

This MOU will be valid for 3 years from the date of signing and can be renewed at the option of both parties after expiry.

developments/ requirements of the software industries. Hence the students can be equipped to meet tomorrow's challenges present in the real world.

3. **ACCURATE AUTO PRODUCTS**, TG-1, 1 st Main Road, 3<sup>rd</sup> Lane, Industrial Estate, Ambattur, Chennai-600058, and the Department tie up will build confidence and prepare the students to have a smooth transition from academia to industry. The students will be permitted to industrial visit to learn the latest development and testing software of **ACCURATE AUTO PRODUCTS**, TG-1, 1 st Main Road, 3<sup>rd</sup> Lane, Industrial Estate, Ambattur, Chennai-600058,
4. To have meetings with faculty of the Department and staff of **ACCURATE AUTO PRODUCTS**, TG-1, 1 st Main Road, 3<sup>rd</sup> Lane, Industrial Estate, Ambattur, Chennai-600058, and to discuss on various topics, to have interdisciplinary design and establishment of working modules and the curriculum requirements relating to the industries.
5. To support setting up of an advance learning centre, this can be utilized for providing training and projects for students in the college campus itself.
6. To hold training sessions for the Lab assistants such that in house servicing and maintenance capability of them can be enhanced.
7. To guide the students to make the projects by utilization of the training in both premises.
8. To provide specific training requirements for students in the latest technological fields and related software developments.
9. To provide forums like workshop and short-term training courses.

#### THE MEMORANDUM:

This Memorandum of Understanding entered as of the **21-09-2022**, between the Department of Mechanical Engineering of **SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY** approved by AICTE and Anna University Affiliation & **ACCURATE AUTO PRODUCTS**, TG-1, 1 st Main Road, 3<sup>rd</sup> Lane, Industrial Estate, Ambattur, Chennai-600058, Recognizing the need to cultivate an industry and institution interaction, value addition and perpetual need to keep abreast within latest development in the field's software development like

## MEMORANDUM OF UNDERSTANDING (MOU)

**SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY**

**AND**

**DHANALAKSHMI COLLEGE OF ENGINEERING**

This MOU is entered into on 08/06/2022 by and between Dhanalakshmi college of Engineering, and Sri Venkateswara college of Engineering and Technology, Tiruvallur.

### OBJECTIVES OF THE MOU

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions, DCE and SVCET agree:

#### Objectives are:

- To exchange information and educational programs
- To exchange information on teaching, learning materials and other literature relevant to their educational programs
- To jointly organize short-term continuing education programs on topics of mutual interested and to invite each other's faculty to participate therein.
- To jointly organize seminars, conferences or workshops on topics of mutual interest and to invite each other's faculties to participate therein.
- DCE and SVCET will build a linkage with for accreditation process.

Date :

## EXCHANGE OF TECHNICAL MATERIAL

DCE and SVCET will exchange information on research and educational programs and teaching/learning material and literature relevant to their educational and research programs, further DCE and SVCET agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

## CONFERENCES, WORKSHOPS AND SHORT-TERM COURSES

DCE and SVCET agree to help identify and invite faculty members from the other institution to participate in conferences, workshop and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between DCE and SVCET

## TENURE AND TERMINATION:

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for **five year**, and may be continued there after with suitable review and agreement. Either institution may terminate the MOU by giving return notice to the other institution six month in advance.

## CONFIDENTIALITY:

The DCE and SVCET agree to hold in confidence all information/data designated by the institutes as being confidential which is obtained from either institute or created during the performance of the MOU and will not disclose the same to any third party without return consent of the other institute.

Both parties hereinafter shall collectively refer to as "Parties"

## PREAMBLE

JNNIE: JNNIE, founded in 2008, has become one of the leading higher educational institutions in Tamil Nadu, recognized for its strong industry connections. To equip students with relevant industry skills, JNNIE has partnered with various companies to establish Centers of Excellence (CoE) that provide training and practical, real-world experience. The Institute is dedicated to the holistic development of its students, using innovative and creative approaches to deliver quality education and enhance employability skills.

SVCET: Sri Venkateswara College of Engineering and Technology is a Telugu Minority Institution was established in 1999. SVCET is dedicated to delivering quality education to shape the future of today's youth. In this era of globalization, the working environment has become increasingly competitive and challenging. This college remains committed to providing top-notch education to prepare the youth for these demands.

## 1. SCOPE OF MOU

JNNIE and SVCET mutually agree to enter a formal understanding of cooperation with an envisaged intention to further the academic objectives of each institution and to promote the research environment and culture amongst the faculty members and students of both institutions.

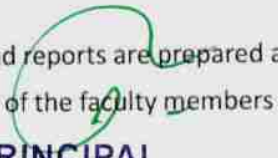

## 2. OBJECTIVES OF MOU

Under this Memorandum of Understanding, the two institutions will proceed to implement the following endeavors and exchanges of ideas and personnel. The MoU aims to develop collaborative activities in academic areas of mutual interest. Cooperation will be carried out subject to the availability of funds and the approval of the competent authority of both institutions, through such activities or programmes.

The objectives are:

- Conduct a thorough self-assessment of the institution's programs and operations against accreditation standards.
- To ensure that all required documentation and reports are prepared as per the accreditation process.
- To develop action plans to address the needs of the faculty members and students.

- Join collaborations in research and development.
- Faculty exchange for quality improvement.
- Jointly organized workshops, seminars, and conferences.
- Organize consultancy activities regularly and come up with joint publications of conference volumes and books.
- Engagement in the exchange and sharing of scholars and resources for the benefit of the greater academic community.
- To design effective research internship programmes for students to offer field-based and first-hand research experiences in relevant areas of interest.
- Arrange special lectures jointly by scholars of national and international repute on an annual basis.
- To make every effort to support and promote long-term teaching-research linkages between the two institutions.

### 3. JOINT ROLES AND RESPONSIBILITIES OF JNNIE AND SVCET

- The JNNIE and SVCET would provide support as mutually agreed upon in project agreements.
- The JNNIE and SVCET would undertake and execute the mutually agreed tasks within a stipulated time frame as detailed in project agreements.
- The JNNIE and SVCET would execute joint research collaboration activities for publishing research articles/patents
- The JNNIE and SVCET will organize the technical Events/Seminars/National Conference/International Conference/ Symposia on regular basis.
- The JNNIE and SVCET will develop industrial-oriented courses/programs at the UG/PG level.
- The JNNIE and SVCET may also enter into a separate arrangement/agreement on a case-to-case basis, on such terms and conditions as may be mutually agreed by the parties.

### 4. DELIVERABLES

The deliverables would be as detailed in the scope of each task, mutually agreed between the parties, from time to time. Requisitions for a specific task could be given by any of the parties on mutually agreed terms of references that would be specific to identified projects.

### 5. FINANCIAL ARRANGEMENT

This will be undertaken by separate financial terms conditions on a project-to- project basis on mutually agreed terms by the parties. Each Party shall bear its expenses in discharge of its responsibilities mentioned in this MOU.

### 6. TERMS AND CONDITIONS

- Activities like conferences, FDP, workshops, and seminars shall be conducted at JNNIE and SVCET according to the academic schedule.

- Collaborative research activity shall be executed based on the facilities and needs.
- Seek mutual advice and support in planning and executing programs promoting excellence in the area of accreditation work.
- The terms of such cooperation and the necessary budget for each specific programme and activity that is implemented under the terms of this MOU shall be mutually discussed and agreed upon in writing by both parties before the initiation of the particular programme or activity and the terms of such programme shall be negotiated whenever required.
- Both parties understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.

## 7. CONFIDENTIALITY AND NON-DISCLOSURE

Except as otherwise contemplated by this MoU, each Party (the "receiving party") undertakes that, to protect the proprietary interest of the other Party (the "disclosing party") in the disclosing Party's confidential information, it will not, during the term of this MoU nor at any time thereafter, either use or exploit in any manner, or directly or indirectly divulge or disclose to others any of the disclosing party's confidential information.

Each party shall keep this agreement and all information and correspondence provided to the other party in strict confidence and shall not disclose the same to any third party, except if required to be disclosed under applicable laws.

## 8. INTELLECTUAL PROPERTY RIGHTS

The Project Agreements shall specify the rights and obligations of the Parties with respect to any Intellectual Property developed by Parties in connection with any specific projects. In the absence of such provisions, any Intellectual Property jointly developed by the Parties shall be owned equally by the Parties as tenants in common.

## 9. FORCE MAJEURE

Notwithstanding any item contained in the MOU, neither JNNIE nor SVCET shall be held responsible for actions beyond their control (e.g. natural Calamity, law & order situation and so on), and no compensation shall be claimed by either party from other nor shall be paid.

## 10. DURATION OF MOU

This MOU shall remain effective from the date of execution until the end of the five-year term (2022-2027). However, the same may also be amended, terminated, or extended by agreement. Any additions or deletions to this MoU can be carried out on mutually agreed terms and appended to this MoU to form an integral part of this MoU.
