- The training program was planned and conducted on November 2, 2022 .by training placement cell in our college
- Interview skills are important because they give your potential employer confidence that you can perform the job duties and accomplish your daily goals.
- The most important skill for an interview is verbal communication because it helps you convey valuable information about your education, abilities and experience to a potential employer.
- The ability to speak calmly to make sure that others can understand you is a skill that you can develop through practice
- Non-verbal communication includes body language, posture, gestures, facial expression and eye contact.
